- **100% Poliestere**
100% Polyester
- **La maglia in 100% poliestere interlock con maniche e retro in poliestere micromesh** combina due tessuti tecnici per ottimizzare le prestazioni. Il corpo in poliestere interlock offre resistenza, durata e una buona gestione dell'umidità, mentre le maniche e il retro in poliestere micromesh garantiscono un'eccellente ventilazione e traspirabilità.
The soccer jersey made of 100% polyester interlock with sleeves and back in polyester micromesh combines two technical fabrics to optimize performance. The body in polyester interlock provides strength, durability, and good moisture management, while the sleeves and back in polyester micromesh ensure excellent ventilation and breathability.
